OUTCOMES

In 2013, for satisfactory completion of a Unit, students must demonstrate satisfactory achievement of Outcomes in all subjects.

Achievement of an Outcome means:

- The work meets the standard required
- The work was submitted on time
- The work is clearly the student’s own (See authentication)
- There has been no substantive breach of rules.

If all outcomes are achieved the student receives S for the Unit.

A student may not be granted satisfactory completion if:

- The work is not of the required standard
- The student failed to meet a school deadline for the Assessment Task, including where an extension of time has been granted for any reason, including Special Provision
- The work cannot be authenticated
- There has been a substantive breach of rules including school attendance rules.

If any of the outcomes are not achieved the student receives N for the Unit.

Where a student has completed work but there has been a substantive breach of class attendance, the student may be awarded N.

If you are awarded an N, it will mean that you will not pass that unit of work. If you are doing Units 3 and 4, you will not receive a study score for that subject. If you receive an N for Unit 3 or 4 English or English (ESL), you will not be awarded a Study Score for that subject and you will not be awarded an ENTER score.

Achievement of Outcomes

In each unit there are between 2 - 4 Outcomes. Each outcome will be tested by a number of Assessment Tasks. These are called SACs (School Assessed Coursework). If you pass the SACs you will satisfactorily complete the outcomes. The SACs will be completed in class, either in one class period or over a number of periods. You will be notified in advance of the day when the SAC is to be completed and the nature of the task. These dates are very important.

Dates for SACs will be given to you by your subject teacher and are on Study Smart and must be followed by students. Dates will only be varied for students who have followed the Absent from School Assessed Coursework procedure.

All Outcomes in all subjects must be completed by:

Unit 3   Thursday 20th June
Unit 4   Friday 18th October
