A 'study' is broken up into four units. Each VCE study unit is numbered 1, 2, 3 or 4. Student programs may include some Units 1 and 2 in the second or final year and/or some Units 3 and 4 in the first year. The VCE Studies and Resources page is an alphabetical index to each study. Each study page provides past and sample exams (containing some answers), Study Designs, assessment advice and other teacher support materials relating to that study.
