The High Achievers Preparation Program provides you with a fast-tracked route to a Bachelor Degree at the University of Sydney. The program is designed for high achieving students and will help and support you during the transition from high school to the first year of university. It’s conducted over a period of 17 weeks (2 terms) and provides you with the academic foundation required for fast-track entry into the University.

**Program Benefits**
- You will progress on to the Bachelor Degree you have selected at the University of Sydney on the basis of successfully passing all units within the High Achievers Preparation Program
- A smooth fast-tracked transition to university
- Excellent preparation for starting undergraduate study
- Study in modern state of the art teaching facilities within a purpose designed campus
- Greater independent learning and critical thinking capabilities
- You will build a network of friends from around the world who will share your learning journey from Taylors College to the University of Sydney
- Support and advice through our dedicated Mentoring Program, where students from the University of Sydney provide ongoing support, advice and guidance to prepare you for university life

**Degree Progression**
The High Achievers Preparation Program is a competency based course. By successfully completing all of your subjects, and meeting the English entry requirements, you quickly progress to the degree you wish to study at the University of Sydney*. 

*Some degrees require additional selection criteria i.e. Portfolio and/or audition and/or interview, please refer to course information on the ‘Find a Course’ website at sydney.edu.au/courses.
